The Colonel Says:  
The traveler, who was asked by a clerical-looking fellow passenger—whether or not he drank, may have been justified, before answering, in asking whether the question was an inquiry or an invitation. But my advice to you, sir, is "Let not opportunity slip between your fingers." Take it, whenever such a query is put to you, as a greeting invitation, provided, sir, that there is within convenient reach a supply of

**ITEMS OF INTEREST**  
Gathered from All Quarters About Men Talked About in the Walks of Politics.  
Men Who Are Candidates and Men Who Are Not and What People Say.

George K. Schmidt, the well known and well liked former County Commissioner and Alderman, is talked of by many for County Treasurer.

County Judge John E. Owens is a man whom Cook County can be proud to point to as a public official.

North Side elevated service is a joke.

Judge Denis E. Sullivan is making the fine record on the Superior Court bench that every one of his big army of friends knew he would make.

No man in Illinois stands higher in the estimation of the people than former United States Senator Albert J. Hopkins.

Both as a judge and a citizen John R. Caverly is liked by everybody who knows him.

Charles S. Thornton, the well known attorney who made one of the best Corporation Counsels Chicago ever had, would make a splendid Federal Judge.

Thomas Taylor, Jr., is a man Cook County is proud to claim as one of her leading lawyers and public spirited men.

John J. Coburn would make an able and fearless District Attorney for Northern Illinois.

Judge Harry P. Dolan is daily adding to his popularity in his clean and able record for the Municipal Court bench.

The appointment of Judge Edward Osgood Brown to the Federal bench would give general satisfaction all over Chicago.

The next big fight commences right away. Petitions for all the big county offices to be filled next year must be filed within nine months. This includes congressmen, legislators, sheriff, county treasurer, county clerk, Probate, County and other judges, and clerks of their courts.

Judge Charles M. Walker is mentioned by many for appointment to a seat on the Federal bench. President Wilson couldn't make a better selection.

James S. Hopkins has won the highest respect and admiration of both bench and bar by his clean and able record as a lawyer.

Judge John K. Prindiville is making a splendid record on the Municipal Court bench. He is an able, broad-minded and just judge.

Walter E. Schmidt, the popular former County Assessor, is being strongly talked of by Republicans for County Treasurer. A better man could not be had for that position. As a public official Mr. Schmidt proved himself to be at all times an honest and faithful servant of the people.

The new government income tax exempts all office holders who draw more than \$4,000 a year. If this isn't politics with a vengeance we don't know what is.

**THE AUTOMATIC TELEPHONE.**  
For a good many years the Chicago public had ample opportunity to observe what telephone monopoly meant in the way of service.  
The rates had been raised several times—and threats of another raise were being made. There was talk of abolishing certain forms of residence service. The public was treated with scant courtesy. There were interminable delays in changing old phones and installing new ones.  
Then came the automatic telephone, bringing with it the much needed spur of competition.  
What happened?  
Immediately the utmost efforts to improve the manual service were made.  
But it is a cold, hard fact that these efforts have been to a large degree unsuccessful. It is simply a physical impossibility to make manual service come anywhere near the remarkable efficiency of the automatic.  
The reason is obvious. The automatic is a higher development of the telephone principle.  
It has eliminated the huge cost and great uncertainty of the human operator.  
It has made telephoning secret, quick, low in cost.  
On the Automatic telephone a machine—quick as lightning, absolutely accurate—gets your number for you. There are no hitches, no delays, no wrong numbers.  
Automatic telephone service has received a tremendous welcome in Chicago. Automatic service has doubled and doubled again until over 400,000 calls per day are being handled.  
And all this in the face of one of the most powerful monopolies the world has ever seen.  
For better telephone service, phone for your Automatic today—Commercial Dept., 23-111.
